# **Creating an Animated Ball in Photoshop**

**Open Photoshop** 

## Create new document "letter" size (8.5x11)

Using the Shape Tool Draw a Circle Shape. *Click on the tool then draw the shape on the screen.* 

Click **Window** (on the top menu) > **Timeline** (the timeline box will open at the bottom of the screen)

### Choose "Create Frame Animation"

Time	line												
I				≈									
						c	Preate Fram	ne Animation					
000	1				-		*						

Your screen should look like this:

Click on the "New Frame" button to create a new frame

Move the ball slightly down

Click "New Frame" button again, then move the ball slightly down again. Repeat this process until you have reached the bottom of the page. Once at the bottom repeat the process but move the ball upwards again.

## Saving Your Work:

Click File > Export > Save for Web (Legacy)

File         Edit         Image         Layer         Type         Select           New         Ctrl+N         Open         Ctrl+O           Browse in Bridge         Alt+Ctrl+O         Open As         Alt+Shift+Ctrl+O           Open as Smart Object         Open Recent         Image: Comparison of the second	Filter 3D View Window Help form Controls T + L = = =
